

THANK YOU!

YOU HAVE RECEIVED THIS UNIT BECAUSE YOU HELPED
SPREAD THE WORD ABOUT HOMESCHOOL LANGUAGES.
WE ARE SO GRATEFUL!

A FEW NOTES:

The purpose of these units are to give you the basic foundation and habits to **start speaking** in more varied situations.

These units aren't all inclusive. We don't teach every word applicable to that unit- but we do get the student excited ABOUT learning them! Meaning, you might be at the store and you've mastered a few words, so your student begins to notice what they DON'T know...

Maybe they'll ask, "how do you say 'bag'?" or you could slip in how to say "I want" instead of "I need."

It goes hand in hand with the full curriculum that teaches full phrases and conjugations... you'll find it easier to add these new vocab words into full phrases having gone through the curriculum!

But these units are in no way necessary for the use of the curriculum. :) You can use them at any time during your language learning journey!

Good luck, and let us know how it goes!

WEEK 1

Lesson Focus:

Introducing and beginning to memorize new vocab words.

New Vocabulary:

**o supermercado, a comida, o carrinho de compras, a lista, o caixa
pagar, o corredor, compras, a cesta
suba, saia, cadê**

□ TOPIC INTRODUCTION:

I LOVE to go shopping with you! We get our cart or basket, you help me look for things we need at the store, we get to say hi to the cashier, and we get to be together. Since we go often, I think we should start learning how to say some of those things in Portuguese!

Get out the shopping vocabulary cards included in this set. I'll lay down the words we're learning today and you guess what the pictures mean- in English! Lay the vocab cards down one by one.

Repeat the activity, but this time have the student repeat the Portuguese word after you.

- SWAT THE CARD: Lay out 4 of the 8 vocab cards around the room, saying the card in Portuguese and having your student repeat it as you lay it down.

I'm going to say a Portuguese word, and you're going to swat the correct card for that word! You'll hear me say "**cadê...**" (food word) first, that's me asking "where is (the food)?". **Cadê?** means "where is it" in Portuguese. Say a card (in Portuguese), and have the student swat at it. Begin with the easiest ones for them, repeat often, then add another when they're confident. Say "**Aí está!**" (there it is!) when the student swats at the correct one, but don't expect the student to say it (you're just exposing them to it at this point!).

Repeat until the student is mostly proficient at the new Portuguese words (*even if not proficient, no more than 2-3 minutes*). Clear the learned cards and place down the last 4 cards, repeat the activity.

- GET ON/GET OFF: Find a piece of furniture that is safe for the student to get on and off of. We'll use a couch as an example.

The last thing we'll learn today is "get on" and "get off"! **Suba** means "get on!", and **saia** means get off. How can we remember that?

Maybe **suba** sounds like "supa.." or "super"... like SUPERMAN who goes UP in the sky! So **suba** means get UP, or ON, or **suba no** means 'get up/on the..'. So when I say "**suba no** the couch!" you'll get UP, ON the couch!! **Suba no** the couch, **sofá**, the couch! *Student gets on the couch.*

The opposite is "**saia**", get off, or "**saia do**" get off of". Let's take a deep breath in (breath in) and a big sigh out. What happened to your shoulders when you sighed? They went DOWN! So **saia** means get down, or off. **Saia do sofá**, get off the couch! You might hear me say this at the grocery store too, **saia do carrinho**! Get off of the cart! What does **saia** mean? *Get down/off.*

- Practice **suba** and **saia** by going back and forth between those words and have your student follow. You can tell them to get on/off different things in the room! Repeat until student is ready to move on.

**if your child isn't excited about running around or hopping on furniture, place cards near you for the first activity and have them just raise or lower their hand for the next one.*

- BOOKLET: Now or sometime before the next lesson read the shopping booklet included in this set.

Some common things I ask my child to get off of:

The table- **A mesa** (ah mey-zah)

The chair- **A cadeira** (ah ka-deh-rah)

The bed- **A cama** (ah ka-mah)

The couch- **O sofá** (oh so-fah)

When in doubt, just say "**suba no**" or "**saia do**" and then the English word.
Just say what you know! You'll fill in the gaps later :)

Itsy Bitsy Spider!

Listen for "**subiu**" in this song. **Subiu** means went up, from the same word we use for "get on/get up": **Suba**!

Cadê? vs. Onde está?

Cadê? and **Onde está?** are both used to ask about the temporary location of people, animals, or objects, meaning "Where is (it)?"

Cadê is considered more informal and is predominant in spoken Brazilian Portuguese. **Cadê** actually comes from the antiquated phrase: "**Que é feito de...**?" (literally "What is made of...?"). Over time, this question became: "**Que é de...**?" Later it was further reduced to: "**Quede...**?" And then to the current: "**Cadê?**"

In this unit we'll stick to **Cadê** because it's simple, and the alternative is already taught in the curriculum!

WEEK 2

Lesson Focus:

Using phrases and vocabulary in playful situations.

New Vocabulary:

***nós precisamos, isso é tudo
aí está!***

- ❑ **PREP:** Before you begin, hide the food cards that correlate with the shopping lists around the house.
- ❑ **REVIEW SHOPPING CARDS:** Lay the shopping vocab cards face up in a line across the length of the room. Quickly review the shopping cards one by one, saying their Portuguese words. Have the student repeat the Portuguese words as you go.
Do you think you remember all the words? I bet you do! I'm going to say a word in Portuguese, you look for it as fast as you can and say "**Aí está!**" (there it is!) when you find it, pick it up, then bring it back to me! If you're right, I'll keep the card! If you're **WRONG** you have to run it back and choose another! You win when all the cards are safely brought back to me.
- ❑ **SHOPPING LIST:** Introduce the shopping lists, included in this set. We have some **listas** of **comida** that we need, **nós precisamos!** I've hidden these **comida** cards around the house... just like how we have to find **comida** at the **supermercado**, you can help me find the **comida** we need on these **listas** right in our home! Take this **cesta** and put the **comida** cards in it. We'll say "**nós precisamos**", or "we need..." as we're looking for what we need.

When you find it you can say **aí está!**! It'll help you remember those words because remember, we are just playing! You can also vary it by asking "**Cadê..?**" (where is...?)

- ❑ CHECKING OUT: Once the student has everything on one list, act as **o caixa** and have the student bring you their "**cesta**".

O caixa can begin with things such as "**Olá, tudo bom?**" etc.

Pretend to scan the items. *BEEP!*

Isso é tudo? (Is that everything?) You can say **Sim, Isso é tudo?** (yes, that's everything) or **Não, nós precisamos...** (no, we need..).

Make up a cost, like 3 (**dólares**, pronounced "doll-are-ease"), and hold out your hand for the pretend **pagamento** (payment). **Obrigado/a!** (thank you)

Repeat activity, help the student remember to say "**nós precisamos** (food item)" while they look. Invite the student to switch roles (younger students shouldn't switch after each list, maybe after 3 repeats of the activity, they need repetition of one side of the conversation before moving to the other).

Remember to help the student with some hints if they need! They'll remember after a few reviews!

- ❑ BOOKLET: Now or sometime before the next lesson read the shopping booklet included in this set.

Week 2 Pronunciation Guide

Isso é tudo? (is that everything/it is everything): ee-soo eh too-doo

Dólares (dollars): doll-are-ease

Pagamento (payment): pah-gah-men-toh

Aí está (there it is): ah-ee es-tah

**if you're holding what you're looking for, or pretty close to it, you'd say "here it is!" or "aqui está!", just like you would in English.*

Nós precisamos... (we need): nohs preh-see-zamos

Preciso de (I need): preh-see-zoh jee

REQUIRED
MATERIALS:

- food cards
- shopping lists
- shopping game board
- dice and coins

WEEK 3

Lesson Focus:

Using phrases and vocabulary in a board game.

New Vocabulary:

-review-

- Review shopping cards and phrases once or twice.
- BOOKLET: Read the shopping booklet included in this set.
- SHOPPING GAME!
OBJECTIVE: Be the first one to check out with everything you need from your list.

SET UP: Give each player a shopping list and a coin (their game piece to move around the board). Gather the food cards on the lists of each player, and evenly place them face down around the gameboard on the brown "shelves" (half of the card will be hanging off).

HOW TO PLAY: Begin with player pieces on the shopping cart. Take turns rolling the dice and moving that many spaces towards a shelf. If you reach a shelf (the blue or yellow box nearest the brown shelf, you may look through those cards (without showing the other player) and take ONE food card from the shelf. Place that card in your hand behind your shopping list, and your turn ends. Pass dice to the next player. When you have all the food you need to complete your shopping list, head to the checkout. Once your piece is past the arrow and landed on the cash register, **caixa**, you win!

RULES: You can only pick up ONE food card per turn. You can move any direction on the board. You do not show other player what food each shelf has on it, the food cards remain face down.

Alternative play: Play collaboratively and help each other finish the food cards. No one can reach the cash register until the lists are completed. You win when your team has all the food from your list and everyone is at the cash register. A little more realistic, right? ;)

Playing is FUN, so treat it that way! Enjoy your time with your family.

BUT... this game will fail as an educational tool if you don't focus on incorporating Portuguese phrases you've learned for far. Guide your student to do the same with repetition!

Keep it light, repetition is key.

PHRASES YOU CAN/SHOULD USE DURING THE GAME:

O que você precisa?: What do you need?

Preciso de: I need...

Cadê..: Where is...

Aí está!: There it is!

É neste corredor?: Is it in this aisle?

Isso é tudo: Is that everything/That is everything

Tem tudo?: Do you have everything?

Eu tenho, você tem, nós temos..: I have, you have, we have

O que está na lista?: What is on the list?

Point out: **o carrinho, caixa, pagar, a lista, a comida**

WEEK 4

Lesson Focus:

Using phrases and vocabulary in real-life situations.

New Vocabulary:

-review-

❑ GROCERY BINGO!

Take a bingo card to the store with your student when you're not in a rush and your shopping list is short. (Maybe just run in for a donut for doing this activity!) Have the student cross off a box whenever they say the words in the boxes aloud (this might be with your guidance!). 4 in a row is BINGO, the entire board crossed off is BLACKOUT! Parent, you can use your own Bingo card or take a phrase sheet along with you.

BEFORE YOU ENTER, review all phrases on the card and the goal of the game with your student.

The purpose is to connect these words with real situations. They might not remember every word, or use it correctly, but now you've paved a trail for them to use it again. Once they use it in the real world they are more confident to receive the language input you give because it's familiar, and they'll follow your example.

You've got this! It's not about perfection, it's about giving you and your child an opportunity to use the few words you DO know. We promise, those few words will GROW and soon you'll be amazed at what you'll be able to say by small steps at a time.
